

OAK RIDGE NATIONAL LABORATORY

Main Campus

- 1005** Laboratory for Comparative and Functional Genomics
- 1505** Environmental Sciences Laboratory
- 1520** Joint Institute for Biological Sciences – BioEnergy Science Center
- 1521** West End Research Support Facility
- 2500** Fire Station (🚒)
- 3001** Graphite Reactor
- 3144** Buildings Technology Center

- 3125** Irradiated Fuels Examination Laboratory
- 4100** Chemical and Materials Sciences
- 4508** Metals Processing Laboratory
- 4500N** Medical Department (🏥)
- 4515** High Temperature Materials Laboratory
- 5100** National Institute for Computational Sciences
- 5200** Conference Center/Visitor Center/Cafeteria

- 5300** Multiprogram Research Facility
- 5600** Center for Computational Sciences
- 5700** Research Office Building
- 5800** Engineering Technology Facility
- 6000** Holifield Radioactive Ion Beam Facility
- 6008** Joint Institute for Heavy Ion Research
